Sensory Learning Projects

Foam Shape Creations

Build. Create. Explore textures and shapes!

Grades K–6

25–40 minutes

Shapes + Texture

Students combine foam shapes into animals, buildings, patterns, or abstract designs.

Adaptations

Use peel-and-stick options when available.

Peel-and-stick foam makes creating easier and stays in place!

Offer sorting trays.

Sorting by shape and color builds organization and focus.

Let students build flat or dimensional designs.

Encourage creativity with 2D or 3D foam creations!

Explore textures. Build ideas. Create with confidence!
