Sensory Learning Projects

Mixed Media Texture Art

Create. Layer. Explore textures. Express yourself!

Grades 2–8

45–60 minutes

Creative Expression

Students combine paper, paint, felt, feathers, buttons, and other materials into layered artwork.

Adaptations

Offer dry and wet material choices.

Let students choose what feels comfortable and fun.

Create texture stations.

Organized stations help students find and explore materials easily.

Allow students to skip disliked materials.

Encourage choice and respect personal preferences.

Different materials. Different textures. Endless possibilities!
