Shape Creature Crafts

Build. Create. Imagine!

Students build creative creatures using simple shapes, craft eyes, markers, and glue.

Grade Level
Kindergarten

Time Needed
25–35 minutes

Skills Developed
- Shape recognition
- Imagination
- Hand-eye coordination

Inclusive Adaptations
- Use pre-cut shapes.
- Provide sample creature cards.
- Allow students to point/select pieces.

Simple Steps!

1. Choose shapes.
2. Add eyes and details.
3. Arrange your creature.
4. Glue pieces in place.
5. Add colors and extra details!

Shapes can be anything—so can your imagination!
