# Supply Bin Labels

A Well-Organized Classroom Helps Everyone Create, Learn, and Thrive!

**Grade Level**
K–6

**Time Needed**
30–45 minutes

**Skills Developed**
- Organization
- Visual communication
- Classroom responsibility

Students help create colorful labels for classroom art supply stations and storage bins.

**Great Labels:**
- ✓ Are easy to read
- ✓ Use pictures and words
- ✓ Use bright colors
- ✓ Help keep our classroom neat!

## How to Create Your Supply Bin Labels

1. Choose a supply or station.
2. Draw a picture that shows the item.
3. Write the word clearly.
4. Decorate with colors, patterns, or borders to make it bright and fun!
5. Display your label on the bin, basket, or shelf.
6. Use your labels every day to keep our classroom organized!

### Inclusive Adaptations

- Use icons with words.
- Add tactile shape cues.
- Use high-contrast colors for easy visibility.

### Teacher Tips

- Involve students in creating and updating labels.
- Keep labels consistent across the classroom.
- Celebrate student creativity and teamwork!
- Use this activity to build responsibility and pride in our space.

**Label it. Organize it. Take care of it!**
