

WINTER WINDOW SCENES

Create colorful winter scenes with layers and light.

Layer tissue paper, construction paper, and markers to create colorful winter scenes.

Grade Level
K–6

Time Needed
30–50 minutes

Skills Developed
- Layering
- Color blending
- Scene building

Inclusive Adaptations
- Use larger tissue pieces.
- Offer pre-drawn outlines.
- Allow collage instead of drawing.

Simple Steps!

1. Choose your window frame or background.

2. Tear or cut tissue paper and layer for sky and land areas.

3. Add trees, houses, snow, and other details.

4. Use markers to add outlines, snowflakes, and texture.

5. Let it dry and shine in the window!

Layers create beauty. Light brings it to life.
