Capability Statement

Reprographic Products Group, Inc. · dba RPG Squarefoot Solutions

GSA MAS	SBA-Certified WOSB	SAM Registered	30+ Years
Contract 47QTCA18D004D	Women-Owned Small Business	UEI MM1HBCDSV7F8	Serving agencies & primes

CORE CAPABILITIES

Reality Capture Services

Nationwide on-site laser scanning, as-built documentation, training, and consulting from an experienced reality capture team.

Equipment Sales, Leasing & Rental

HP PageWide XL and DesignJet wide format, HP and Xerox office MFPs, Contex scanners, and Leica RTC360 and BLK360 scanners — new or reconditioned, with installation and training.

Maintenance, Service & Supplies

Factory-trained technicians for HP, Xerox, Canon, and KIP devices; maintenance agreements; automatic supply ordering and delivery.

Managed IT & Security

RPG CompleteIT managed networks, security, and support for offices and jobsites, built with CMMC in mind.

Robotic Layout

HP SitePrint autonomous layout printed directly on the slab from 2D CAD files, with demos and paid pilots.

Digital Twins & Collaboration

Interactive web-based digital twins, BricsCAD licensing, and tools that keep office and field on the latest drawing.

DIFFERENTIATORS

- Specialized knowledge in building-industry communications, information security, and construction technology
- Authorized partner with HP (HP Amplify Partner), Leica Geosystems, and Xerox
- Leadership serving as advisors, educators, and instructors with AIA, RSA, and NFMT
- Squarefoot Solutions™: equipment, supplies, software, training, service, and financing from one source
- Nationwide response through a network of independent partner dealers
