

SAVVY CHAIR

4-Leg • Mobile • Cantilever • Rocker • Gas Lift • Cafe Cantilever • Cafe 4-Leg

Savvy embodies the characteristic design principles of modernism. This spirited perspective, implements the crucial pillars of reductive modernism that will inspire others to follow.

4-Leg Chair

Shown with Navy Blue Shell and Hammertone Gray Frame

Shown with Tangerine Shell and Dark Gray Frame

Available in both our junior and senior chair shell sizes!

Available in 12”, 14”, 16”, and 18” sizes, making it the perfect seating choice for every grade level and learning environment.

Shown with Yellow Shell and Chrome Frame

Shown with Ocean Blue Shell and Metallic Frame

Our design team has paid profound attention to the details of proportion, surface, and lines to create the beginnings of a modernist vision of a calming environment that inspires intrinsic learning behaviors while removing the noise of over design in a classroom.

Explore some of the different Chair bases the Savvy Chair is available in!

Mobile Chair
