SHARP®

MXC358F

Colour Multifunction Printer

Robust colour multifunction printer

Work simply smarter with the SHARP MXC358F colour document system.

Designed to fulfill today's diverse business needs, the SHARP MXC358F colour document system enables workers to collaborate and share information seamlessly and securely throughout the office environment. Enhance your office's output of printed media that gets the attention of your audience while saving time and money!

Easy-to-use Touchscreen

The 4.3" (diagonal) easy-to-use touchscreen display is built using colour LCD technology which delivers highly intuitive user experiences. Easy UI mode offers users quick access to frequently used functions on a customizable touchscreen display.

Versatile Functionality

The MXC358F leverages the latest technology to help users get their work done with ease and efficiency. Features including mobile device connectivity, two-sided scanning, standard PostScript compatible printing and an optional convenience stapler enable users to easily manage their workflows.

Leading Security

In today's hybrid working environments, protecting endpoint devices such as document systems from security breaches is vital. Using built-in multi-layered technology, SHARP can help protect against network intrusions.

Device Management SHARP Remote Device Manager*

(SRDM*) gives administrators centralized control of their networked multifunction printers (MFPs) and printers. Allows remote access to system setup, security settings, troubleshooting, and more.

*Some features of SRDM are not available.

Smart features that enhance productivity and efficiency

Customizable user interface designed to meet the needs of any office.

- ✓ **Intuitive user interface**
- ✓ **One-touch access to common tasks**
- ✓ **Simplified document security**

4.3" (diagonally measured) customizable touchscreen display.

MXC358F shown with flexible stand and 4-drawer paper deck.

- Standard copy, print, scan and fax capability.
- MXC358F 4.3" (diagonal) colour LCD touchscreen with adjustable free-tilting full-flat smooth tablet style interaction.
- Scan two-sided colour originals at speeds of up to 72 images per minute or scan two-sided black and white originals at up to 104 images per minute.
- Supports letter size, legal size, cardstock, envelopes and small media paper through the standard paper drawer or bypass tray.
- Protect your intellectual property: a wide range of security features help keep information safe, whether it's in a document, on the device, or over the network.
- 100-sheet duplexing single-pass feeder.
- Offers up to five paper sources with available 2,001-sheet maximum paper capacity.
- Print popular file formats such as PDF, Word, Excel and PowerPoint directly from USB drives.
- Flexible varied media handling supports cardstock, small media and envelopes from the main tray or multipurpose feeder.
- Supports popular mobile technologies enabling users to easily print files from smartphones, tablets, laptops and Apple AirPrint.
- Optional convenience stapler enables users to easily organize documents.

Smart·Connected·Secure

Integrating technology and functionality

The MXC358F multifunction printer delivers elevated reliability and performance.

Duplexing Single Pass Feeder (DSPF)
100-sheet duplexing single pass feeder scans up to 72 images per minute when printing two-sided colour and 104 images per minute in black and white (two-sided).

Smart Touchscreen
Enhanced tilting colour LCD touchscreen provides quick access to features and functions.

AirPrint and Android Compatible
for printing on the go.

Finishing
The easy-to-install convenience stapler (optional) lets users manually staple up to 20 sheets at a time.

Multi-layered Security Features
Leading-edge features provide enhanced protection of data and personal information to help protect against network intrusions. The optional Trusted Platform Module (TPM) provides authentication, system integrity checks and cryptographic capabilities to create a unique digital fingerprint.

Device Management
SHARP Remote Device Manager (SRDM* gives administrators control of their networked multifunction printers (MFPs) and printers.

Easy Access to Cloud Services
Print and scan documents to popular cloud applications directly from the control panel such as Microsoft OneDrive for Business, Google Drive™, Dropbox and Box.

Paper Handling
Paper drawers feed up to 8.5" x 14" paper and support media up to 58 lb. cover. Offers up to five paper sources with available 2,001-sheet maximum paper capacity.

Wired and Wireless Networking
Standard Gigabit Ethernet and optional Wi-Fi network capabilities offer greater flexibility.

Adjustable Stand (optional)

*Some features of SRDM are not available.
