AC DISCONNECTS

AIR CONDITIONING DISCONNECTS

PRODUCT BENEFITS

Our ACD line is crafted with the needs of electrical and HVAC professionals in mind. The innovative concentric knockouts are designed for easy removal, allowing installers to quickly and effortlessly achieve the right size, thus saving valuable installation time. Each ACD unit is packaged individually, ensuring convenient stocking. We provide attractive counter displays and promotional materials to facilitate easy sales. Halex proudly takes these products Beyond the Current!

FAST INSTALL! *EFFORTLESS STOCKING!* *BOOSTED SALES!*

NON-FUSED AIR CONDITIONER DISCONNECTS

ABOUT THE HNF60R

60 AMP Non-Fusible

HNF60R

The 60 AMP Non-Fusible ACD is made with the electrical and HVAC professionals in mind. The patent pending concentric knockouts are easier to remove. This reduces installation time since installers can knock out the right size with less effort. Each unit is individually packaged making our ACDs easy to stock. We offer counter area displays and promotions to make them easy to sell. Halex is proud to take these products Beyond the Current.

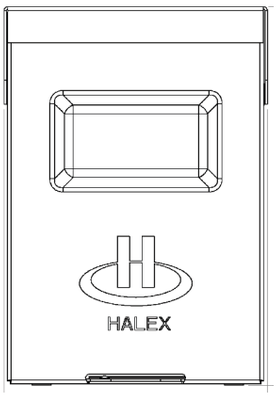

PRODUCT BENEFITS

EASY MOUNTING: Requires just 2 points for safe secure mounting to walls

BUILT IN SECURITY: The disconnect has a durable padlock feature for securing the box after installation

EASIER INSTALLATION: Durable 90˚ vertical swing hinge makes working within the disconnect box easier
