Universal One and Two Hole Straps

PRODUCT BENEFITS

The Halex Universal Strap is the only conduit strap that is **UL LISTED** and patented for ***multiple conduit categories!*** Use these One Hole or Two Hole straps on EMT, RIGID, FLEX, and LIQUID TIGHT conduit with confidence.

Never let a strap stop a job again. With these items in the truck, the contractor always has the right category strap on hand to finish the job. No more last minute part runs, no more stopped work.
