

SV225-2

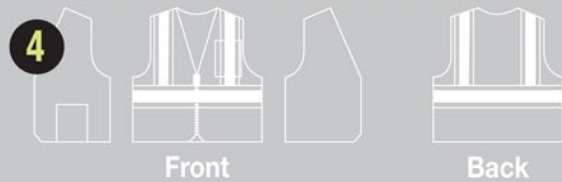

Class 2/Level 2 Economy Fire Retardant - Two Tone Trim

ANSI/ISEA 107-2004

Economy Class 2 Fire Retardant with Two-Tone Trim

ANSI 107 Compliant FR protection at an economical price. Excellent choice for extreme work environments like petro-chem, asphalt paving, short-term labor, and welding where a Non-durable FR* level of protection is sufficient. Reflective stripes on contrasting trim make workers much more noticeable in low light and broad daylight.

**"Non-durable FR protection" is achieved by chemically treating a material that is not by itself, but becomes self-extinguishing after the treatment.
